SKILLS

- **Languages:** C++, JavaScript, C, Python
- **Frameworks:** HTML and CSS
- **Databases:** MySQL, MongoDB
- **Tools/Platforms:** Git, GitHub, Figma, AWS Cloud Services, Docker
- **Soft Skills:** Problem-Solving, Team Player, Project Management, Adaptability

PROJECTS

- **Learner's Hub** | [GitHub](#) Jan' 26 – Feb' 26
 - Developed a scalable web-based Learning Management System (LMS) enabling user registration, course enrollment, quiz attempts, and progress tracking.
 - Implemented secure user authentication and optimized database operations for efficient course and user data management.
 - Designed a responsive and interactive dashboard with real-time progress visualization, improving user engagement and usability.
 - **Tech:** Python (Flask), SQLite, HTML, CSS, JavaScript.
- **JEEVANsetu** | [GitHub](#) Jan' 26 - Mar' 26
 - Developed a real-time hospital resource management platform to monitor bed availability and streamline patient coordination.
 - Built RESTful APIs to handle patient records, resource allocation, and dynamic data updates, ensuring efficient system performance.
 - Designed a responsive frontend interface with real-time updates to enhance usability and improve operational efficiency.
 - **Tech:** Node.js, Express.js, MongoDB, HTML, CSS, JavaScript.

TRAINING

- **Lovely Professional University – Summer Training** | [Training certificate](#) Jun' 25 – Jul' 26
 - Completed hands-on training focused on Object-Oriented Programming (OOP) concepts using C++.
 - Gained practical experience in writing modular, reusable, and efficient code by applying core principles such as classes, objects, inheritance, polymorphism, encapsulation, and abstraction.
 - Worked on implementing real-world problem-solving programs and practiced debugging, and STL usage in C++.
 - **Tech stacks used:** C++, OOPs Concepts, Classes & Objects, Inheritance, Polymorphism, Encapsulation, Abstraction, File Handling, Standard Template Library.

CERTIFICATES

- AWS Certified Cloud Practitioner. [AWS](#) May' 26
- Microsoft Certified: Azure Administrator Associate. [Microsoft](#) May' 26
- Oracle Data Platform 2025 Certified Foundations Associate. [Oracle](#) Apr' 26

ACHIEVEMENTS

- **Finalist of Udyamitsav:** Feb' 26
Achieved Top 5 position among 50 plus teams
- **Finalist of CipherThon 2.0:** Feb' 24
Secured among 5000 plus participants

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
• *Bachelor of Technology - Computer Science and Engineering; CGPA: 8.13* Aug'23 - Present
- **Jammu Sanskriti School** Hatli Morh, Kathua
• *Intermediate (PCM); Percentage: 84* Apr'21 – Mar'23
- **Jammu Sanskriti School** Hatli Morh, Kathua
• *Matriculation; Percentage: 94* Apr'19 – Mar'21
